

Tim Weston

I joined the Amicus Group in January 2005. I can help you make the most of your hard earned money by providing you with a range of investments and insurance to meet your changing needs.

We have a range of Advisers specialising in investment, life, health, and income insurance, general insurance, company and personal superannuation, and mortgages. As your Financial Adviser I can either assist you personally or, if appropriate, refer you to the relevant specialists.

Experience and Qualifications

I hold a current AMP Practicing Certificate and I am a member of the IFA [Institute of Financial Advisers]. I'm studying towards my diploma in Certified Financial Planning (CFP) and I keep my knowledge up to date by attending AMP "in-house" and industry training courses.
